

QUALITY POLICY STATEMENT

As a BS EN ISO 9001:2008 accredited company, it is **A McKie Building & Engineering Services Ltd** policy to provide products and services that consistently meet the goals, expectations and needs of our customers and to ensure that all products and services comply with defined standards that are fit for purpose.

It is the policy of **A McKie Building & Engineering Services Ltd** to achieve and maintain registration as a Company of assessed quality capability under the requirements of BS EN ISO 9001:2008 so to demonstrate to both customers and staff the company's commitment to Quality.

The Quality Policy of **A McKie Building & Engineering Services Ltd** is implemented through the operation of the Quality Management System. The requirements of the System are binding for all Company personnel and no unauthorised alterations or deviations are permitted.

The only way to achieve and maintain this policy is for every employee, in whatever capacity, to perform their work to the required standards at all times.

It is A McKie Building & Engineering Ltd's Intention to:

“GET IT RIGHT, FIRST AND EVERY TIME”

&

“STRIVE FOR CONTINUOUS IMPROVEMENT”

The effectiveness of this Quality Policy will be measured by monitoring both customer feedback and the cost of non-conformance.
